 - b. Hormone therapy shall not be required for a Sail Manitoba’s participant in high-performance sailing (LTAD stages Train to Compete (until World Sailing rules become a factor) and Train to Win) in the gender category that is consistent with their gender identity, unless a sport organization can prove that hormone therapy is a reasonable and bona fide requirement.
 - c. Sail Manitoba Participants shall not be required to disclose their trans identity or history to Sail Manitoba in order to participate in high-performance sailing (LTAD stages Train to Compete (until international federation rules become a factor) and Train to Win) unless there is a justified reason requiring them to do so.

Eligibility Guidelines – Exceptions

5. When applicable, the eligibility guidelines of World Sailing, and/or any major Games (e.g. the Olympic Games, Pan-American Games etc.) regarding trans athlete participation will supersede the eligibility guidelines as outlined in this *Policy*.

Eligibility Guidelines

6. As a general guiding principle for Sail Manitoba's eligibility guidelines, Sail Manitoba supports the following statement from *Creating Inclusive Environments for Trans Participants in Canadian Sport*:

Based on this background and available evidence, the Expert Working Group felt that trans athletes should be able to participate in the gender with which they identify, regardless of whether or not they have undergone hormone therapy. Exceptions could be made if a sport organization is able to provide evidence that demonstrates hormone therapy is a reasonable and bona fide requirement (i.e., a necessary response to a legitimate need) to create a fair playing field at the high-performance level (p. 19).

7. At both recreational and competitive levels, an individual may participate in their expressed and identified gender category.
8. Individuals are not required to disclose their trans identity or history to Sail Manitoba or any of the Sail Manitoba's representatives (e.g., coaches, staff, Directors, officials, etc.), Sail Manitoba Members, PSA Members or Recognized Yacht or Sailing Club, School or Organization and their representatives.
9. All athletes must be aware that they may be subject to doping control testing pursuant to the Canadian Anti-Doping Program. Trans athletes undergoing gender reassignment are encouraged to contact the Canadian Centre for Ethics in Sport (CCES) to determine what procedures, if any, are required to obtain a Therapeutic Use Exemption (TUE).

Confidentiality

10. Sail Manitoba will not disclose to outside parties any documentation or information about an individual's gender identity and expression. A trans individual's privacy and confidentiality will be respected.
