

Welcome to our Mobile Sailing School Program!

Sail Manitoba is pleased to offer a mobile sailing school program that services all of Manitoba and Northwestern Ontario. The Mobile Sailing School currently offers a program equipped with 6 Prams (smaller, single-handed boats), and 4 RS Zests (bigger, two-person boats). The trailer is also equipped with a small zodiac and 9Hp motor for coaching and safety purposes.

The Sail Manitoba Instructors follow the Sail Canada CANSail *Learn to Sail* platform. The lessons that are being offered through our Mobile Sailing School are:

- **CANSail Wet Feet:** designed for kids, ages 5-7. These are introductory sailing sessions focused on water safety and fun/games.
- **CANSail 1+2:** designed for kids, ages 8 and older. Fundamental skill acquisition in any type of boat. Regardless of the age of the beginner sailor, in the CANSail 1+2 lessons, students begin by learning the basics of sailing through dryland and on-water lessons. Sailors are introduced to basic sailing skills such as safety, rigging, terminology, seamanship, and boat handling skills. No sailing experience is necessary.

The CANSail program is a multi-level program with various sailing skills required to achieve each level. At the end of each week the participants will receive a progress report or certificate acknowledging their accomplishments.

This document details all requirements necessary to host the Mobile Sailing Program in your area and the host registration form for the Mobile Sailing Program. We have also included a waiver form that should be filled out by all participants enrolled in the program, and returned back to the host club prior to the start of the program.

If at any time you have any questions regarding the program or host responsibilities, please do not hesitate to contact me.

Sincerely,

Sheila Bellido
