Fourth Qualifier	TBD	Location: TBD

Rules

The qualifying regattas will be conducted according to the sailing instructions of the events as prepared by the host yacht club and its race committee.

The competitors who are attempting to qualify will be ranked according to their placing within each class at each of the regattas and earn points reflecting their ranking.

At the end of the qualifying series, the points from each regatta will be added together. If there was a drop race in the regatta, the drop race is included in the scoring of the qualifying series. In the event of a tie, the boats will be ranked by the number of times they scored better than the other tied boats. The highest-placed competitor will qualify first, and the next-placed competitor will be the alternate.

Competitors are reminded that they must be a member of a Yacht Club and Sail Manitoba/Sail Canada to compete in the qualification events. Competitors do not have to be members of the Manitoba Sailing Team to compete in the qualifier.

Competitors who are selected must match the competitors' eligibility rules for the Canada Summer Games. The finalists must join the Manitoba Sailing Team as a High-Performance Team Member. The decision to compete in the CSG on the Manitoba Sailing Team is a serious commitment, and attending the announced CSG team events in 2024 & 2025 is mandatory.

If a competitor cannot participate in these events, a request must be made to the Head Coach stating the reason and showing a detailed training plan for the competition leading up to the CSG. The Head Coach will then decide if this competitor is eligible to compete for Manitoba. If the competitor cannot fulfill the requirements, the alternate will be declared the Manitoba representative at the CSG.

Appeals for the 2024 Qualifiers will be accepted *seven* days after the last Qualifying Event and to be submitted in writing to the President of Sail Manitoba. This is the highest authority that appeals can be made to for the CSG team selection.
